You see a whole new world to
discover and explore.

We see a **sprained ankle** and a trip
to the hospital.

The Canadian experience is meant to be enjoyed.

But if an unexpected medical emergency should happen, know that you're protected with Visitors to Canada travel insurance.

Why buy Visitors to Canada travel insurance?

When visiting Canada, your country of origin's health care plans might not travel with you. We know that health care costs in Canada can be expensive if you're not covered under a Canadian government health insurance plan. Travel insurance from the experts at TIC helps you stay protected during a medical emergency. Be sure to carry travel insurance to safeguard your finances and enjoy a worry-free trip.
